To change text:

- Open Indesign file template
- Access Master page 'A' or 'A2'
- Select text box
- Edit text

Please note:

These are not TCD specified signs but instead are Cultural signs that act as a billboard. The sign material is NOT to be reflective and there is to be NO line stroke edging around the sign.

Marae sign 1

Marae sign 2

2-LINE-TXT

There are 5 x background options (1x blank, 4x patterns). Each background can be applied by opening the Indesign files available and using the template master pages.
