

INSTABOOM GO – CHARGING SAFETY NOTIFICATION

Date: 22/09/2023	From: RTL – Products Team	To: ALL USERS OF INSTABOOM GO UNITS RTL
---------------------	------------------------------	--------------------------------------------

Updated Charger Instructions:

- **Always** leave lid open with foam insert removed (so the battery is exposed). This is to ensure heat is dissipated safely while charging.
- Limit charge to 12 hours
- Chargers are not waterproof – only charge indoors

1

TURN UNIT OFF

2

REMOVE REMOTE

3

REMOVE FOAM INSERT TO SEE BATTERY

4

PLUG IN ANDERSON PLUG AND START PROCEED TO CHARGE. 12 HOURS MAX.
