

RTL 900mm Enviro Cone

High Intensity Cone Collars

Our 900mm Enviro Traffic Cones are designed for every day use on Local and NZTA roads. Our Enviro Cones are fully compliant to NZTA TTMC specifications and they stack with both the RTL Slimline Cone and Slim Composite Cone. The retro-reflective Cone Collars meet AS/NZ 1906.1, with a top hand grip and internal ribs to help with release. Contact us today to enquire how you can benefit from choosing the Enviro Cone.
