

**INSTABOOM®**

# THE PERFECT ALTERNATIVE TO MANNED SECURITY

**INSTABOOM Lite**, a rugged,  
lightweight solar hybrid  
barrier delivering instant  
work zone protection

## LITE IN WEIGHT NOT IN FEATURES

“Using **INSTABOOM Lite** on a full closure of the M25 was quicker and safer to deploy than a traditional barrier set up. It vastly improved site control, safety and compliance”

*Dale Hicks, TM Manager,  
Connect Plus / Balfour Beatty*

The unique **INSTABOOM Lite** is a rugged, but lightweight (2 person lift), solar hybrid instant deployment work zone barrier. Manufactured in the UK and UKCA marked it is ideal for short duration traffic management operations. With remote telematics as standard and UK wide managed service – it saves time, carbon and lives.

**PORTABLE** – at just 48kgs it's a 2 person lift from a van or flatbed

**RUGGED** – designed for uneven worksite terrain and use

**QUICK** – deployed in under 1 minute

**SAFE** – provides a quick and easy safety buffer zone for highway staff

**CONTROLLED** – supplied with a long range rugged radio fob, upgrade to intercom/keycode/call to open

**COMPATIBLE** – with the NEW Wireless GS6, providing rapid over height strike protection

**TELEMATICS** – as standard, optimal fleet performance and email alerts

**SOLAR** – hybrid solar/110V top up provides upto 7 days run time between charging
